

ENVIRONMENT POLICY

We, at GMR Goa International Airport Limited (GGIAL), consider environmental protection as an integral part of our business and are committed to conducting our business in an environment friendly and sustainable manner, in line with our Corporate Policies. As part of this commitment we will strive to conserve the environment by:

- Complying with all applicable statutory requirements & fulfilling all applicable environmental obligations
- Establishing and maintaining Environment Management Systems that comprehensively identify, assess and manage environmental impacts and improves environmental performance associated with our business activities
- Sensitizing stakeholders through training/ awareness programs and creating a culture where all employees are actively engaged in the improvement of Environment standards & performance
- Reporting on our environmental performance to the concerned stakeholders

R.V. Sheshan
Chief Executive Officer
